
6th Workshop
on
Stability and Discretization Issues in Differential Equations

Practical information

Activities after 3 PM

- Possibility for working in groups, discussion – open until 7 PM:
 - Room 3-719 with blackboard
 - Room 3-607 with whiteboard
 - Room 3-517 with whiteboard
- Presentation and training of GAMAX – main topic: the *MATLAB Grader* system:
 - Thursday: 15.30 - 16.30 in the lecture room.
 - 16.30 - 17.00: summary and discussion in Hungarian.
 - Open for local faculty members.
